

Michelle Guran

Application Bio for MCSC President

Bio

My name is Michelle Guran. I am originally from NYC and have been living in Richmond Hill, GA for the past year. My husband Nik is stationed at Fort Stewart, GA where he is the DIV Deputy Fires Support Coordinator. We are the proud parents of our 18 month old son Jakob and foster parents to our 19 year old niece Angela.

I am a part time ESL Teacher for VIPKid, based out of Beijing China. I teach English to children in China online. I am also a Certified Surgical Technologist with over 15 years OR experience. I have also served our great nation as a soldier in the U.S. Army as a Russian Linguist.

I am passionate about volunteering and lending my time and talents to organizations like the MCSC. The happiness and readiness of Spouses and Families in our military community are essential to the Army's mission. I believe that the MCSC helps cultivate an environment that fosters these ideals.

As your president, I vow to help promote a climate of friendship, fellowship, and camaraderie. It would be my honor to be your voice within the Marne community and work with the entire governing board, to make the MCSC the best spouses' club experience any Army spouse has ever had. I will work with all board members and club members alike, to introduce new ideas for successful fundraising events, fun and engaging luncheons, and collaborate with various outreach programs that help make a difference in our community.
